ADDITIONAL COURT-ORDERED NOTICES

PLAN

A Plan is attached. Please review it carefully. It sets out the proposed treatment of all creditors, including the proposed valuation of all collateral. The Plan may be amended without further notice at the first meeting of creditors, and such amendments may affect your treatment as a creditor.

AMENDED PLAN

If the Plan is amended prior to Confirmation, the Debtor/Debtor Attorney shall file the Amended Plan and shall serve a copy of the Amended Plan prominently displaying the notice of 20-day objection language upon all creditors and parties in interest and upon the Chapter 13 Trustee within two (2) days after filing.

PROOFS OF CLAIM

Proofs of claim must be filed and a copy (WITH ALL ATTACHEMENTS) shall be served on the Debtor's attorney (or on the Debtor, if the Debtor is pro se) and the CHAPTER 13 TRUSTEE appointed in this case. Secured creditors must attach proof of their perfected secured status. Secured and priority creditors are strongly urged to file their claims PRIOR TO the meeting of creditors so that the plan's feasibility can be determined at that time.

OBJECTIONS TO CONFIRMATION

With the exception of objections to valuations of secured debt of the taxing authorities, any Objections to Confirmation of the Plan (including any objections to the valuation of specific creditor's collateral as set out in the Plan, must be raised AT OR PRIOR TO the meeting of creditors (the Section 341 meeting). The Objection must be reduced to writing within ten (10) days after the meeting of creditors and filed with the Court.

CONFIRMATION HEARINGS

If there are no timely Objections to the Confirmation of the Debtor's Plan (or to the proposed valuations of the creditors collateral) and the Trustee otherwise recommends Confirmation, the actual Confirmation Hearing will be deemed waived by all parties and the Court may enter an Order Confirming the Plan prior to the scheduled Confirmation Hearing date and the Debtor is excused from attending. Absent a specific Objection to Confirmation from a taxing authority, valuation issues concerning taxing authorities will not preclude the Confirmation of a Plan and will be addressed through either the claims objection process or the Trustee's Recommendation Concerning Claims.

If there is a timely objection to the debtor's Plan, or to the proposed valuation of any item of collateral, then the Confirmation Hearing will be held on the date set, at which hearing the Court may consider and decide all Confirmation and valuation issues raised by the objections. If there are no objections, but the Trustee DOES NOT recommend Confirmation, then there shall be a Confirmation Hearing.

THE DEBTOR AND DEBTOR'S ATTORNEY SHALL ATTEND THIS CONFIRMATION HEARING.

VALUATION OF COLLATERAL

Except for the value of collateral securing a claim of a taxing authority, the value of collateral set out in the debtor's plan shall be the value fixed by the Court by Confirmation of the Plan, unless a timely Objection to Confirmation is filed. Any objections must specifically object to the proposed valuation and request a hearing thereon. Any objection to valuation will be heard at the Confirmation Hearing and no Plan will be Confirmed until the valuation objection is resolved, except for the value of collateral securing a claim of a taxing authority. The valuation of collateral by the Court shall not relieve a secured creditor from the duty to file a Proof of Claim in order to be paid under the Plan.

In the event a creditor timely files a Proof of Claim which evidences a perfected security interest in collateral, which claim and collateral was not dealt with by the Debtor's Plan, the collateral will be deemed valued by the Court at the amount set forth in the Trustee's Recommendation Concerning Claims, unless

a response and objection is timely filed.

BAR DATE FOR OBJECTION TO CLAIMS

All objections to any Proof of Claim must be filed no later than thirty (30) days after the date of service of the Trustee's Recommendation Concerning Claims (which will be served on all creditors). Absent Objections, all claims will be deemed allowed as set forth in the Trustee's Recommendation Concerning Claims.

SUMMARY DISMISSAL

The Court may dismiss a Chapter 13 case upon certification from the Clerk of the Court or the Chapter 13 Trustee, with notice to the Debtor and/or Debtor's attorney and a ten-day opportunity to cure, for the Debtor's failure to pay filing fees (including installment fees) when due.

The Court may dismiss a Chapter 13 case upon certification from the Chapter 13 Trustee of the debtor's failure to appear at the first meeting of creditors, when such nonappearance has not otherwise been excused by an order of this Court.

The Court may, at the Confirmation Hearing and Upon request of the Chapter 13 Trustee at said hearing, dismiss a Chapter 13 case for failure of the debtor to obtain Confirmation of the Chapter 13 Plan.

IN RE: **Daniel D. Burns**
Cassie K. Burns
Debtor(s)

§ Case No.
§
§ **CHAPTER 13 PLAN**

To the Honorable United States Bankruptcy Judge:

Comes now the Debtor(s) herein and, as required by 11 U.S.C. §1321, files this Debtor's Chapter 13 plan, and in support thereof would show the Court as follows:

Monthly Plan Payment

Debtor(s) shall each month submit such portion of Debtor's future earnings (or other future income) to the supervision and control of the Chapter 13 Trustee as is necessary for the execution of this plan. Payments by Debtor to the Trustee shall begin within thirty (30) days after the date the Order for relief is entered unless otherwise allowed by the Court. The Debtor's monthly plan payment shall be an amount equal to the Debtor's monthly disposable income or an amount sufficient to pay the claims of general unsecured creditors in full over the term of the plan, whichever first occurs.

Duration of Plan

The term of the plan shall not exceed sixty (60) months from the date the first monthly plan payment is due or until the claims of general unsecured creditors are paid in full, whichever first occurs, provided that the term may be extended by the granting of a moratorium by the Court after proper notice and opportunity for hearing, or other modification of the plan granted by the Court after proper notice and opportunity for hearing. Regardless of the total term, unless there has been a change in circumstances, the plan shall be deemed to have been completed when the Chapter 13 Trustee has received from or on behalf of the Debtor(s) an amount equal to the number of months specified in the Plan times the monthly plan payment or an amount necessary to pay the claims of general unsecured creditors in full, whichever first occurs, and as adjusted by any post-confirmation modifications of the amount of the monthly plan payment.

Payment of Claims

Allowed claims shall be paid to the holders thereof in accordance with the terms hereof. From the monthly payments described above, the Chapter 13 Trustee shall pay the following allowed claims in the manner and amounts specified. Claims filed by a creditor designated as secured or priority but which are found by the Court to be otherwise shall be treated as set forth in the Trustee's Recommendation Concerning Claims (TRCC).

Local Rule 3002 provides, in part, that EVERY creditor filing a proof of claim in all cases SHALL transmit a copy with attachments, if any, to the Debtor's attorney (or the Debtor if the Debtor is pro se) and the Trustee appointed in the case.

A. Administrative Expenses: The Trustee shall pay the expenses, as prescribed by the Court, for administering the plan. The first monthly plan payment shall be paid to the Debtor's attorney as attorney's fees. The balance, if any, of Debtor's attorney's fees shall be paid concurrently with allowed secured claims in consecutive monthly installments. Such fees shall be paid in full prior to any payments being made to general unsecured creditors. Once Debtor's attorney fees are paid in full, those funds will be paid, pro rata, first to secured creditors, then to priority creditors and then to unsecured creditors.

B. Priority Claims: Other than Debtor's attorneys' fees, payment of which is provided for in the preceding paragraph, claims entitled to priority under 11 U.S.C. §507, except a claim entitled to priority under §507(a)(1)(B), shall be paid in full, pro rata, unless a specific payment amount is assigned to a particular priority claim, in deferred installments as funds become available upon completion of payment of attorneys' fees and allowed secured claims. The holder of any such claim may agree to a different treatment of such claim. Claims allowed under §507(a)(1)(B) are not dischargeable and may be paid less than the full amount only if the Debtor's disposable income is paid into the plan for 5 years.

C. Secured Claims: In the event a secured claim is treated pursuant to 11 U.S.C. §1325(a)(5)(B), secured creditors whose claims are allowed shall be paid, in consecutive monthly installments, a principal amount equal to the value of their collateral or the amount of their net claim, whichever is less, plus interest thereon at the applicable rate. Unless objected to, the monthly installments proposed by the Debtor will be considered to provide adequate protection to such creditor during the term of the plan. The holders of such claims shall retain their liens on the collateral which is security for such claims (except for those liens which the Debtor(s) avoids by proper pleading and opportunity for hearing thereon) until the earlier of the payment of the underlying debt (determined under non-bankruptcy law) or discharge pursuant to §1328. If the case is dismissed or converted without completion of the plan, such lien is retained to the extent allowed by applicable non-bankruptcy law. The value of the collateral shall be deemed to be the value established by the Debtor, subject to objection, and, accordingly, the amount of the secured claim shall be established in the manner provided by the Local Rules and Standing Order of the United States Bankruptcy Court for the Western District of Texas, San Antonio Division, and the Notice of Chapter 13 Bankruptcy Case, Meeting of Creditors, & Deadlines. In the event a creditor timely files a proof of claim which evidences a perfected security interest in collateral, which claim and collateral was not dealt with by the Debtor's plan, the collateral will be deemed valued by the Court at the amount set forth in the Trustee's Recommendation Concerning Claims (TRCC), unless a response and objection to the TRCC is timely filed.

D. Unsecured Claims: Unsecured claims may be separately classified provided, however, that all claims within a particular class shall be treated the same. Any unsecured claim not over \$50.00 may be paid pro rata, in equal installments or in full, at the election of the Trustee. The classes, generally, will be as follows:

1. General unsecured: The class of "general unsecured" claims shall comprise the claims of all creditors holding unsecured nonpriority claims, not otherwise designated as "special class" unsecured claims, including the unsecured portion of a secured creditor's bifurcated claim (i.e., the difference between the value of the collateral and the total amount of the claim) and secured claims the liens securing which have been avoided. Payments to general unsecured creditors shall be made on a pro rata basis as funds become available after secured and priority claims have been paid in full. The amount paid to general unsecured claimants shall depend on such factors as the total amount of claims actually filed and allowed, but the total amount paid to unsecured creditors shall be equal to or greater than the amount such creditors would receive, as of the effective date of the plan, if the Debtor's estate were liquidated under Chapter 7 of the United States Bankruptcy Code. In the event the Debtor owns non-exempt assets the liquidation of which would result in the immediate payment in full of all allowed general unsecured claims were the Debtor's estate liquidated under Chapter 7 of the United States Bankruptcy Code, then the Debtor shall pay the holders of such claim interest at the rate of five percent (5%) per annum on allowed claims over the term of the Chapter 13 plan. Interest that would otherwise accrue during the life of the plan is discharged upon completion of the plan, except for any interest accruing on a debt to any general unsecured creditor whose debt (and/or interest) is nondischargeable under the law.

2. Special class: The class of "special class" claims shall comprise those claims that would otherwise be general unsecured claims but that the Debtor(s) has elected to pay in full despite the fact that general unsecured claims are not paid in full. Such claims include, but are not limited to, claims arising out of consumer debts for which any individual is liable with the Debtor by way of co-signature, guarantee, endorsement or otherwise ("co-signed debts"), claims based on NSF checks (or any other claims which might result in criminal prosecution), and student loans.

Vesting of Estate Property

Upon confirmation of the plan, all property of the estate shall not vest in the Debtor(s), but shall remain as property of the estate subject to the automatic stay of 11 U.S.C. §362.

Direct Payments to Creditors

Certain claims may be paid directly to the holders thereof, not by the Chapter 13 Trustee, but rather by the Debtor(s) or some other party who shall be deemed acting as disbursing agent of the Trustee for payment of such claims. Creditors receiving such direct payments outside the plan may continue to issue payment books, coupons and any other method normally used to make and receive periodic payments and this shall not violate the provisions of 11 U.S.C. § 362.

Such payments shall be made in addition to the payments by Debtor to the Trustee as herein set forth.

If a creditor is allowed by Court Order to foreclose on, or otherwise take back his/her property, such creditor must notify the Chapter 13 Trustee immediately upon regaining the property. Upon entry of an Order Lifting Stay, the Trustee shall stop any further payment on that claim.

Any creditor who has obtained an order lifting the automatic stay, or an inferior lienholder in the case desiring to file a deficiency claim, must file such claim by amending or replacing their claim within 90 days of the property's reversion to the first lienholder.

Long Term Debts

Any amount not paid during the term of the plan on secured debts upon which the last payment is due after the final payment under the plan is due ("long term debts") shall not be discharged. In the event the debt is secured by any real or personal property and either the holder of such secured claim obtains relief from the stay of 11 U.S.C. §362 for the purpose of foreclosing its lien on or security interest in such property or the Debtor elects to surrender the property to the creditor, then the entire debt shall be discharged pursuant to 11 U.S.C. §1328(a) or 11 U.S.C. §1328(b) and shall not be excepted from such discharge by 11 U.S.C. §1328(a)(1) or 11 U.S.C. §1328(c)(1). A creditor may file an unsecured claim in the amount of any resulting deficiency after the collateral is liquidated and the proceeds thereof applied against the claim within ninety (90) days of such liquidation unless the Court orders otherwise.
